## Medium & Oil Painting Option

All standard portraits are painted using high-quality acrylic paint, which provides vibrant color, durability, and faster turnaround time.

Oil paintings are available as a premium upgrade for clients seeking a more traditional or museum-quality finish. Oils offer a richer texture and longer working time but require longer drying periods.

Oil painting upgrades are available upon request and add **\$100-\$300** depending on the canvas size and subject complexity.

## How to Order

To commission a portrait, please **send an email** to [contact@thecrystvl.com](mailto:contact@thecrystvl.com) or **send a message** via [TheCrystvl.com](https://TheCrystvl.com) online contact form with the following:
